Duration: 40 days

Classes: Live on Zoom meeting

Level: Beginner to Advanced

Batch: Coming soon

You get: Certificate, notes and recordings of all live classes

Day-wise syllabus

Day 1	**Foundations I — The Horoscope** What a horoscope (kundli) is, how a birth chart is built, North and South Indian chart styles, and the Ascendant (Lagna).
Day 2	**Foundations II — The 12 Signs** The twelve zodiac signs: their nature, ruling planets, elements and the qualities each one brings to a chart.
Day 3	**Foundations III — The 9 Planets** The nine planets (Grahas): what each one represents, its natural significations and the areas of life it rules.
Day 4	**Foundations IV — The 27 Nakshatras** The 27 Nakshatras with their lords and padas, and how the Moon's Nakshatra shapes personality and timing.
Day 5	**Planetary Nature I** Natural benefics and malefics, planetary friendships and enmities, and how the nature of a planet changes in different signs.
Day 6	**Planetary Nature II** Functional benefics and malefics for each Ascendant, and how to judge which planets help and which trouble a chart.
Day 7	**Sign Classification** Movable, fixed and dual signs; odd and even signs; elements and directions, and how this classification is used in predictions.
Day 8	**The 12 Houses I** Houses 1 to 4: self, wealth and family, courage and siblings, home and mother — and what each house governs.
Day 9	**The 12 Houses II** Houses 5 to 8: education and children, health and service, partnerships, transformation and longevity.

Day 10	**The 12 Houses III** Houses 9 to 12: fortune, career, gains and losses; Kendra, Trikona, Dusthana and Upachaya house groups.
Day 11	**Strength I — Dignity of Planets** Exaltation, debilitation, own sign, combustion and retrograde motion, and how they raise or lower a planet's results.
Day 12	**Strength II — Aspects & Conjunctions** Planetary aspects (drishti), conjunctions and their effects on houses and planets.
Day 13	**Transit (Gochar)** How transiting planets act on the birth chart, with focus on Saturn, Jupiter, Rahu and Ketu, including Sade Sati.
Day 14	**Dasha System** Vimshottari Dasha: Mahadasha and Antardasha, how to read the running period and the timing of results.
Day 15	**Reading a Chart Step by Step** A complete practice session: reading a full chart in a fixed order, from Lagna to the dasha running now.
Day 16	**KP Astrology I — Introduction** The KP system: cusps, star lord and sub lord, and how KP differs from traditional Vedic analysis.
Day 17	**KP Astrology II — Significators** Finding significators of houses, grouping houses for events and judging whether an event will happen.
Day 18	**KP Astrology III — Timing** Timing events with dasha, bhukti and transit in KP, with live examples.
Day 19	**Nadi Astrology I** Introduction to Nadi principles, planetary links and how Nadi reading builds a story from the chart.
Day 20	**Nadi Astrology II — Practice** Reading real charts through Nadi principles and cross-checking results with Vedic and KP.
Day 21	**Education Predictions I** Houses and planets of education, learning ability, subject and stream indicators.
Day 22	**Education Predictions II** Higher studies, competitive exams, breaks in education and the timing of success.
Day 23	**Property I** Houses and planets of land, home and property, and the indications of owning a house.
Day 24	**Property II** Timing of buying, selling and construction; obstacles and delays in property matters.

Day 25	**Vehicles** Planets and houses of vehicles, the timing of purchase and the chart indications of vehicle comfort and trouble.
Day 26	**Health I** Health houses and planets, body parts by sign and house, and the chart's indications of recurring illness.
Day 27	**Health II — Accidents & Surgery** Chart indications of accidents, injuries and surgeries, and the periods when care is needed.
Day 28	**Travel & Abroad I** Houses and planets of travel, relocation and foreign connections.
Day 29	**Travel & Abroad II** Foreign settlement, study or work abroad, and timing of travel in the chart.
Day 30	**Career I** The 10th house and career indicators: job, profession and what field suits a chart.
Day 31	**Career & Finance II** Wealth houses, job versus business, income flow and the periods of financial growth or pressure.
Day 32	**Marriage & Relationships I** The 7th house, Venus and Jupiter, partner indications and basic compatibility.
Day 33	**Marriage & Relationships II** Timing of marriage, delays, relationship problems and how to read them in the chart.
Day 34	**Children** Houses and planets of children, indications of childbirth and the timing of it.
Day 35	**Longevity I** The principles of longevity in astrology and how to read them responsibly.
Day 36	**Longevity II** Maraka periods, Balarishta and how to counsel with care instead of fear.
Day 37	**Prashna / Horary I** Horary astrology: casting a chart for the moment of the question and reading it.
Day 38	**Prashna / Horary II — Practice** Answering real questions through Prashna, with live examples.
Day 39	**Ruling Planets & Intuition** Using ruling planets for exact answers and developing intuition in reading charts (Intuitive Awakening Training).
Day 40	**Revision, Live Case Studies & Certification** Revision of the full course, live case studies and practical exposure, and course completion and certification.
